

SUMMER READING

2026

Hey there, amazing Mabank ISD Families!

School might be out, but the summer fun is just getting warmed up! Your Mabank ISD libraries are super excited to invite you on an epic reading adventure. This year's public library theme is *Unearth a Story*, and there are so many treasures waiting to be discovered!

Our fantastic local spots—the Tri-County Library in Mabank and The Library at Cedar Creek Lake in Seven Points—have created some incredible individual summer programs.

Even better, they are teaming up for extra-special, can't-miss presentations every single Thursday afternoon! Pack up the crew and head over to the Dr. Russell D Marshall Performing Arts Center at Mabank High School to catch the action.

Important Details:

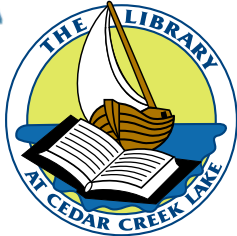

- Start Date: All programming kicks off on June 1st!
- Your Mission: Dive into the attached program guide to plan your summer fun.

We hope you have the most wonderful, book-filled, sunshiney summer ever!

Happy reading,

Your Mabank ISD Library Team
