

Advanced Theatre - Open to Incoming 7th and 8th graders - **AUDITION ONLY**

Class Description: A performance based class that will perform the Fall OAP production and a Fall and Spring Showcase. The focus of the Showcase will be experimental theatre and performing different types of theatre including, but not limited to: Reader's theatre, puppetry, absurdism, musical theatre, and historical theatre. **Students are expected to commit to the Fall OAP contest show, as it is a UIL event.** Rehearsals will be during class, with 2 Saturday rehearsals (10am-2pm, September-December), and occasional after school rehearsals at the teacher's discretion. Students will be given plenty of notice to when the after school rehearsals are.

This class is designed to challenge students that are willing to perform and enjoy being on stage. I am looking for students that are committed, willing to take chances, dedicated, and have a good work ethic. Students will often be doing group work, and this class will teach them to be open communicators, active listeners, and what it means to work as an ensemble.

Audition Requirements:

- A short introduction of who you are and why you want to be in advanced theatre.
- 16-32 bars from a musical theatre or Disney song - **90 seconds**
