As a MJH LIVE cast member your responsibilities will include:

- Being able to record and produce videos
- Work as a team to complete all sections of the announcements
- Have the responsibility to handle and be around expensive filming equipment
- Overcome camera "shyness" and be willing to be on video
- Come to class on time and prepared to work each day
- Be willing to learn about other filming technologies that are available and how we can use them to better our videos
- Be willing to learn a lot, work hard, and have fun!

# PARENT/GUARDIAN AGREEMENT

Dear Parent/Guardian,

Your child has started the application process to join the MJH Live! filming crew at Mabank Jr. High School. While taking this class, students will have the opportunity to acquire technology, writing, interviewing, graphic design and other media production skills. Our announcements are an integral part of our campus and many hours of hard work and care are put into this production. With this incredible, unique opportunity comes great responsibility and high expectations.

Your child will select this class as one of their electives with the understanding that not everyone that applies will be accepted. There is a high amount of interest in the course with only a limited number of spots available; the selection process is extremely competitive and not everyone will be selected for the class.

It is my hope that your child has already spoken with you about this opportunity and its responsibilities. Please look over the interest form with your student to ensure that you both understand the requirements and commitment that is involved. In order to continue producing announcements our students can enjoy and be proud of, it is important to hold crew members to high levels of commitment and professional standards.

This form is a required portion of your child's application packet for the course. If you support your child's decision to apply for this course, please sign and date below. If you have any questions, please do not hesitate to email or call.

Thank you for your time and consideration in this important process that helps make MJH Live! a high-quality experience for the students involved, as well as for the entire staff and student body of Mabank Jr. High School.

Sincerely,

MJH LIVE Advisor

Mabank Jr. High
