

Dear Parent/Guardian,

Texas Senate Bill 9 mandates that secondary students be provided with instruction on child abuse, family violence, dating violence, and sex trafficking. In compliance with that bill, our school has partnered with **Youth Equipped to Succeed** (YES) to provide information on these topics and relationships and sexual health. Through these programs, students are provided research-based information on how to achieve optimal health and are encouraged to focus on their dreams and goals. Please join us for the **Parent Presentation** to preview what the students will see and receive tools and strategies for communication with your child.
