

Subject: _____

Date: _____

TEKS Focus / Covered:

What do you want students to know and understand?

Engage:

How will you introduce the topic/concept and actively engage the students?

Explore:

What hands-on investigation will you let student explore with you providing guiding questions?

Explain:

How will the students explain their understanding and new knowledge and share with others?

Extend:

What opportunities will give students to apply concepts in contexts, and build on or extend understanding and skill?

Evaluate:

How will you evaluate the students' understanding of the concept? How will you provide a reteaching opportunity for those who are struggling?
