

## Welcome from Superintendent

Better known as the "Land of the Panther," Mabank ISD provides a comprehensive academic program that routinely surpasses state achievement standards at all levels. What sets Mabank apart from the rest? Masterful, committed, caring, and passionate teachers positively impact the life of the children they serve each and every day.

The communities in the Mabank Independent School District have supported quality education for over 100 years. The Board of Trustees and the administration recognize that our greatest assets include our students, our parents, and our staff. I am extremely proud of the efforts made in the past to recruit and retain quality employees. We strive to hire employees that are life-long learners, innovative, and are willing to do whatever it takes to help a child be successful. We hope you will join us in shaping a future as bright as our past.

# THE CAMPUSES OF MABANK ISD

## MABANK HIGH SCHOOL

MHS proudly moved into a newly constructed, state of the art facility, at the start of the '07-08 school year. Features include: classrooms equipped with built-in media and projectors, multiple computer labs, multiple gymnasiums (1500 capacity for main gymnasium), 750 capacity auditorium with sound booth, special acoustically designed band hall, modernized athletic facilities, and a beautiful and spacious library.

*The mission of Mabank ISD is to provide a collaborative learning environment for educators and students leading to the understanding that we are all part of something bigger than ourselves. We will produce within each student the development of a creative mind, healthy body, and a servant's heart enabling each Mabank graduate to contribute to our global society in positive and significant ways.*

## MABANK JUNIOR HIGH SCHOOL

Mabank Junior High opened its doors in the fall of 2008 after extensive renovation to the previous high school facility. Serving both seventh and eighth grades, the campus is affiliated with the national *Making Middle Grades Work* organization that provides premier academic guidance and support. Academic rigor and relevance are points

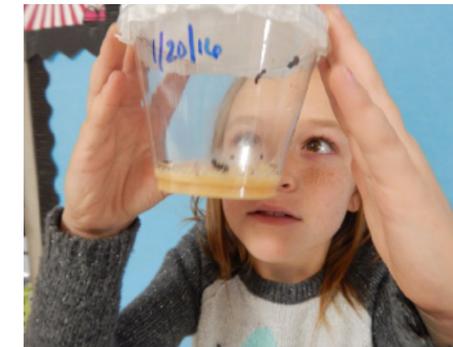

of emphasis at the Junior High. Opportunities for high school course credit abound, and the latest instructional technology is available to all staff. Award winning fine arts and competitive athletic programs help to provide a well balanced educational experience for all students. In short, a positive learning environment, a supportive administrative team, and a belief in all students contribute to the comprehensive success of this campus.

## MABANK INTERMEDIATE

Mabank Intermediate serves approximately 500 students from across the district in 5th and 6th grades. Established in 2008, the campus is known for providing a safe, nurturing environment while offering developmentally appropriate electives such as band, choir, art, yearbook, and archery. Pre-athletics is also offered for 6th grade boys and girls who are interested in developing skills needed for junior high and high school athletics. Core instruction is performed in small departmentalized teams that allow students the opportunity to gain specialized instruction in a cohesive team atmosphere. Immense resources, experienced instructional support, and strong leadership ensure that students build on the strong foundation established by elementary campuses.

## NEIGHBORHOOD ELEMENTARY CAMPUSES

Mabank ISD houses three neighborhood elementary schools that each serve distinct attendance zones across the district. Originally established as PK-5th grade campuses, the district recently underwent instructional re-alignment to allow for many years of expected growth. Each campus now serves approximately 400 students in kindergarten through the fourth

grade, with one campus also housing district-wide early childhood classes as well as federal programs such as Head Start.

Both Lakeview and Southside elementary schools were established in 1996 to meet the growing needs of the Cedar Creek Lake communities of Gun Barrel City, Seven Points, and Payne Springs. Central Elementary was constructed in 2004 and serves most of Mabank as well as communities to the north such as Prairieville.

Each of the three campuses enjoys immaculate facilities with all necessary student and staff amenities and is known for its strong instructional program. Students' progress is monitored at regular intervals and a wide-array of intervention services are utilized to ensure that all students receive a secure foundation. All three campuses are award winning schools with multiple Recognized and Exemplary ratings between them.

## CEDAR CREEK LAKE

Cedar Creek Reservoir was constructed between 1961 and 1965. Nestled in the woodlands of East Texas, the lake is located in Kaufman and Henderson Counties. It has a surface area of 32,873 acres, maximum dimensions of 8.5 miles wide and 18 miles long, and has a shoreline of approximately 220.26 miles.

Cedar Creek Lake offers diverse lodging, dining, retail, RV sites and water sports, all located on or near the shoreline of beautiful Cedar Creek Lake. The towns of Kemp, Seven Points, Tool, Trinidad, Malakoff, Star Harbor, Caney City, Log Cabin, Payne Springs, Enchanted Oaks, Gun Barrel City, Mabank and Eustace all surround the lake. Great festivals, local celebrations with a friendly hometown atmosphere, fishing, boating and golf are ongoing throughout the year.

Area attractions such as First Monday Trade Days in Canton, Texas Freshwater Fisheries Center in Athens, and Purtis Creek State Park in Eustace are all short drives from Cedar Creek Lake.
