March

- CONGRATS to our 2024 Paraprofessional of Year...The AMAZING Ms. Kirby!!!
- March 21st is Absolutely Incredible Kid Day! It is to remind everyone that EVERY SINGLE KID out there is INCREDIBLE!! We want our MJH students to know they are truly LOVED, CARED FOR and APPRECIATED!! The staff of MJH would like to honor all of our absolutely incredible kids on this day. We celebrate YOU! Thanks for being the INCREDIBLE YOU!
- As you already know, we take true bullying cases seriously at MJH. Remember, there are many ways you can report it. You can also use the Anonymous Alerts App that every student has been trained on by the wonderful Mr. Johnson. Report it!
- Enjoy your Spring Break. Play hard and rest up. When we return it is...GO TIME!!!! We are now in the final and last 9 weeks of school! Attendance matters, completing work matters, attitude matters and doing your best matters!! Let's Do This!
- STAAR testing is just around the corner. Our students will be testing as early as next month so with being said, it is very important that your child is present at school every single day as our STAAR Reviews are about to begin!! It's just what students need to simply review and practice what they already know, BOOST their confidence, to motivate them to do their BEST, and to reassure them that they CAN and WILL make PROGRESS on their STAAR Tests!! They got this!! Below are STAAR/EOC testing dates so that you can make sure your student is here and ready to go! Thank you for your continuous support!
