- MJH will be hosting a Sports Ceremony on Wednesday, May 17th starting at 6:30pm at the HS Commons Area. If your student participated in football, basketball, volleyball, track, cross country, tennis and/or competitive archery we hope that you can attend as your student and/or student's team will be recognized and a few individual awards will be given.

- Mabank Junior High School will be having an End of the Year Awards Ceremony for both grade levels to honor students who have excelled in academics, extracurricular activities, leadership and motivation.
 - 7th End of Year Awards Assembly is on Tuesday, May 23rd at 9:00am in the MJH Competition Gym. The 7th grade class, as a whole, will be acknowledged for a job well done for the 2022-2023 school year. A few additional awards will be given along with recognition of student groups.
 - 8th grade will have an evening ceremony to celebrate their last year at MJH. The 8th Completion Ceremony will be held on Friday, May 19th at 6:30pm at Mabank High School's Main Gym. Students need to arrive at 6:00pm so that we are able to place them into alphabetical order before the ceremony begins. We highly encourage ALL students to attend. During this recognition ceremony, all 8th grade students will be acknowledged for the completion of their 8th grade year. All students will receive a certificate of completion. A few additional awards will be given along with recognition of student groups. Nice dress is required for 8th graders since this is a very special celebration!
