SEPTEMBER

- At MJH, school STARTS at 7:50am. Please have your student at school on time. Every minute matters! Our day ends at 3:30pm.
- It is extremely important that we have current contact information in the computer (phone numbers, emergency contacts, email addresses, etc.) Please call or email Jessica Moorhead or Stephanie Glover so that we are able to update your child's information.
- Please follow us on Facebook-Mabank Junior High School
- Jr. Police Explorers is still going strong. This club provides educational training for JH students on the purposes, mission, and objectives of law enforcement. The program provides career orientation experiences, leadership opportunities, and community service activities. Officer Doss will be coming over on Friday, September 1st during both lunches to talk with students that just may be interested in this AMAZING program! There will be meetings every Tuesday after that. Come be a part of something great!
- FCA is a student lead organization that combines the passion of faith and athletics. You do not have to be in athletics to participate. Point of contact is Coach Courtney Reedy. Meetings will be at 7:00am in room 110. Anyone and everyone is welcome!
- Get with Ms. Welch or Ms. Kirby in the library to learn more about our Totally Rad Tuesdays. Fun times going on in the library after school!
- The window for parents and teachers to recommend students for the Mabank ISD Gifted and Talented (GT) Program is now open. If you would like more information regarding the program, there will be a GT identification parent meeting at 6:30 p.m. in the MISD Board Room on September 11th. This parent meeting is NOT mandatory. Also, it is not necessary to attend the meeting if your student is currently identified as GT. Should you decide to recommend your student for GT assessment, please complete an application and return it to the front office with Mrs. Glover by September 29th. Applications are available on the MISD website or may be picked up in the Counseling Center.
- We are off to one great start and we are looking forward to the rest of the school year! If you need anything, ANYTHING at all...PLEASE do not hesitate to call the school so that we can discuss matters in depth in order to make this ANOTHER very SUCCESSFUL year at MJH!!
