

Jared Greene Memorial Scholarship

We are proud to announce the Jared Greene Memorial Scholarship. The Scholarship is in honor of Jared Greene who passed away December 3, 2016 at the young age of 16. He was handsome, full of life, witty, happy, energetic, loved helping others and left an impact on every life he came in contact with. Jared had big beautiful dreams and was not able to live them out. We wish to honor him and his memory in assisting someone in making their dream more achievable.
