Caring for America of Henderson County, Texas

First Responder Scholarship

Dear prospective applicant,

First responders are at the front lines of traumatic injuries and devastating emotional pain and suffering every day. Unfortunately, these heroes often don't receive the recognition they deserve, or emotional treatment they may need. First responders answer the call for help no matter the circumstances, time, location or situation of an emergency. Some of us would not be here if it were not for the brave actions of first responders.

Through natural disasters, fires, and acts of terror, these men and women run towards danger while others flee. Sacrifice is a common word to describe the life of a first responder, their families, and friends. Some make the ultimate sacrifice of laying down their own life in the pursuit of saving someone else's.

The Caring for America of Henderson County (CFA), Texas First Responder Scholarship mission is to provide encouragement and financial assistance to Henderson County students who seek a higher education in the area of law enforcement, fire services, or medical support.

CFA is pleased to offer the First Responder Scholarships of \$1,500 each. These scholarships will be awarded to 2025 high school seniors, who are residents of Henderson County, Texas.

We greatly appreciate your participation in this application and essay process. The scholarship requirements are outlined on attached application. Please complete and sign the application and submit an essay (in APA format) on the following two questions:

What has been the most impactful event in your life?

AND

Why are you deserving of this scholarship?

The deadline for submission is February 3, 2025. All entries must be postmarked and received on or before that date. Entries which are received afterward will be discarded and not considered. If you have any questions, please contact us at dpate5352@gmail.com or contact us at the address listed above.
