WORK BASED LEARNING AND EXPANDED LEARNING OPPORTUNITIES

Exploration Activities: American Association of Family and Consumer Sciences

Career Prep Activities: Job shadow a cosmetologist
 Work part-time at a beauty salon, spa, or barbershop

The Cosmetology and Personal Care Services program of study introduces students to knowledge and skills related to providing beauty and personal care services. CTE concentrators may learn about or practice managing personal care facilities and coordinating or supervising personal service workers.

The Human Services Career Cluster® focuses on preparing individuals for employment in career pathways that relate to families and human needs such as counseling and mental health services, family and community services, personal care services, and consumer services.

Successful completion of the Cosmetology and Personal Care Services program of study will fulfill requirements of the Public Service Endorsement.
 Program of Study Draft for Public Comment June 2019
