They support our students and staff daily. Please, send them a sweet card or fun surprise this week to show how much you love and appreciate them!! If you want to know their "favorites," we have a binder in the front foyer with a "favorites" page for each staff member.

Our students have been working so hard on creating and following their classroom social contracts. Their social contracts are the goals for how they treat each other and how they communicate with peers/teachers. Some like to call this their "treatment agreement."
