prepared for anything?**

NATIONAL BOAT SAFETY WEEK

May 16th - May 22nd, 2026

Come to Gun Barrel City Fire Department on May 16th from 10:00pm until 2:00pm to meet Cedar Creek Lake's Coast Guard Auxiliary, Flotilla 5-14. They will have information on boater safety classes, vessel exams and life jackets, along with coloring books for the kids.

Friends of Boating, a nonprofit organization, will be present to distribute 30 complimentary personal flotation devices (PFDs) for children ages 5 to 12 who weigh between 33 and 88 pounds. Distribution will occur on a first-come, first-served basis. Children must be present to receive a PFD to ensure proper fitting. Limit one PFD per child.
