STAAR TESTING

- April 15th: 3rd grade Reading**
- April 16th: 4th grade Reading**
- April 29th: 3rd grade Math**
- April 30th: 4th grade Math**
- Let's finish strong!**

Our students have been making so much progress this year and they are ready to show us everything they have accomplished on our upcoming state assessments!

Please, help us by not scheduling any early checkouts or appointments on STAAR Dates (listed above) Also, please make sure your child has a yummy protein breakfast and lunch planned to sustain their attention on our testing dates. There is no time limit on testing sessions, so let's make sure they eat well and are ready to take all the time they need. Also, remember to go to bed early the night before and have a focused and positive morning on the day of testing.

Thank you for your help on our testing dates.

Absences/ Saturday School Dates

If your child is absent, notes from parent and/or Dr. must be submitted within 3 days of the absence. Notes may be brought to school with your child or emailed our Registrar, at bnhayes@mabankisd.net. We only have a few options left to make up time for absences. Be sure to attend from 8am-noon on the following Saturdays to make up any time due to absences in order to promote to the next grade level:

- April 12th**
- April 26th**
- May 10th**

Teacher Appreciation Week!

May 5th-9th

Let's show our teachers how much we appreciate them! They are constantly working so hard to make sure your child gets the education, love, and nurturing daily while they are in their care! We have the best teachers at Lakeview!! Most of our teachers have been on staff for multiple years caring and loving on our Lakeview families! Let's reach out and show them how much we appreciate all they do! Our teachers love a sweet note of encouragement. There is also a "Blessings Binder" in the front foyer, per teacher, if you want to bless them with their favorite coffee, gift card, or candy bar.

Capturing Kids' Hearts

Why do we share "good things" everyday in class?

We want to show an interest in each child on our campus. We also want to take time daily to set a positive tone for class. We want to teach and model leadership skills and positive thinking. Just giving 3-5 minutes each day to share about the "good things" around us can really make a difference for all of us. We have so many things to be thankful for when we focus on the good things EVERYDAY!!
