## PANTHER PUBLICATIONS

### TAKING IT TO THE NEXT LEVEL!

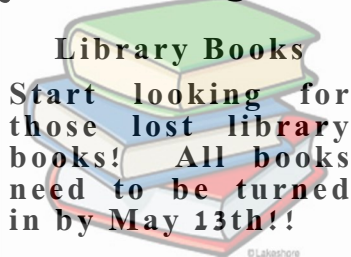

In May, our third and fourth grade students finalize preparations to take the Math and Reading STAAR tests. The math test will be on Tuesday, May 10th. The Reading test will follow on May 11th. We're confident that Lakeview students will, ONCE AGAIN, do their very best and be ROCK-STAARS!!

**We ask that you not schedule any appointments or doctor visits on STAAR test dates!**

To provide our students with the best testing environment as possible, we do not host lunch visitors for any grade level on STAAR testing days.

May 2nd-6th is Teacher Appreciation Week. Please let your child's teacher know just how special they are.

 **The last day of school is Friday, May 27th This IS an early release day. We will start dismissing car riders at 1:00. Bus riders will dismiss at 1:30.**

#### May Brings FUN at LV!

Many fun events are planned for the next few weeks to reward your children for all of their good behavior, extra effort and just for daily "Doing their Best"! We have an AR incentive coming soon for those who qualify. We have our Splash Kingdom incentive on May 25th for our third and fourth grades. We also will enjoy our Track & Field Days for May 16th-18th. Please read over the "Upcoming Events" section on the left side of the newsletter. There are many more events listed for you to be aware of. Please make sure any permission slips that are sent home return to the school in a timely manner.
