National IT Appreciation Day - September 16th!

We want to take a moment to recognize and thank the incredible Mabank ISD Technology Department for the countless ways they support Mabank Junior High. Your hard work often happens behind the scenes, but it makes all the difference in helping our teachers teach and our students learn. From keeping our systems running smoothly to stepping in at a moment's notice when challenges arise, you ensure our campus has the tools we need to succeed.

We are truly grateful for your dedication, expertise, and patience. Thank you for everything you do to keep MJH moving forward!

BREAKFAST & LUNCH

Reminder: Breakfast and lunch are provided free of charge to all MJH students every day. There is no paperwork or application required—every student automatically qualifies. We strongly encourage students to take advantage of these meals to start their day with a healthy breakfast and refuel at lunch. Even if you choose to pack a lunch from home, your child is still welcome to grab a school breakfast or lunch at no cost. Our goal is to ensure every student has the nutrition they need to focus, learn, and succeed throughout the school day.
